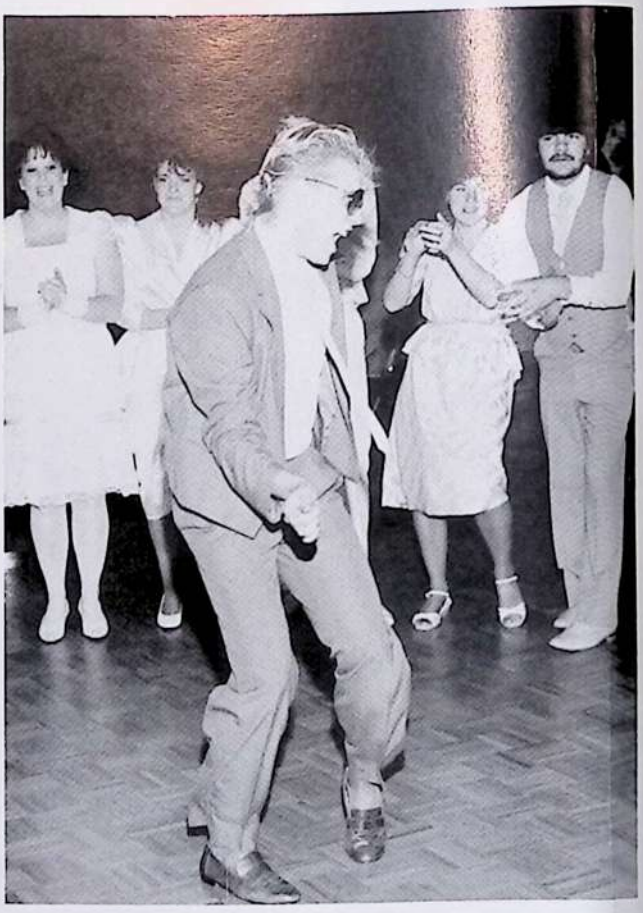
ACCOLADE '85

Some people are fortunate enough
to meet someone special in their lives
who, even though they each may follow
their separate ways, continue to share
a lasting friendship . . .
The special times spent together,
the people and places shared,
are memories both will always have.
They are the people remembered always,
who live in the heart no matter what . . .
always just a thought or a phone call away,
even if the years have come between.
This is for you, my special friend,
given with a special kind of love.
Thank you for all the times in my life
you were such a vital part of,
and for being the unique essence
of our lasting friendship.

— Cammie Charles

D.L. Animal House

Hide the bottle! Here comes Miss Miller!

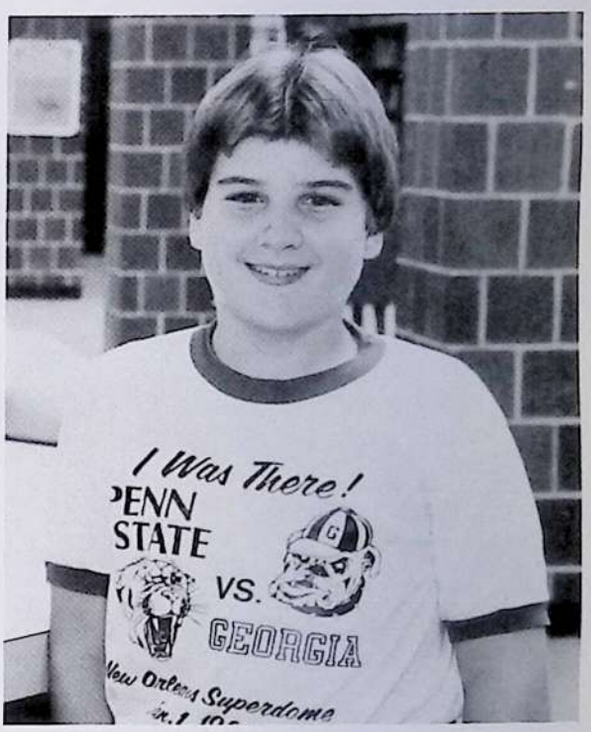


Larry Miller — our local Billy Idol.

The "other" half of the yearbook staff?

Why would Santa pick these two to be his helpers?

Math never seemed this fun to me!



I really was!

Dennis Werner — D.L.'s "THINKER"

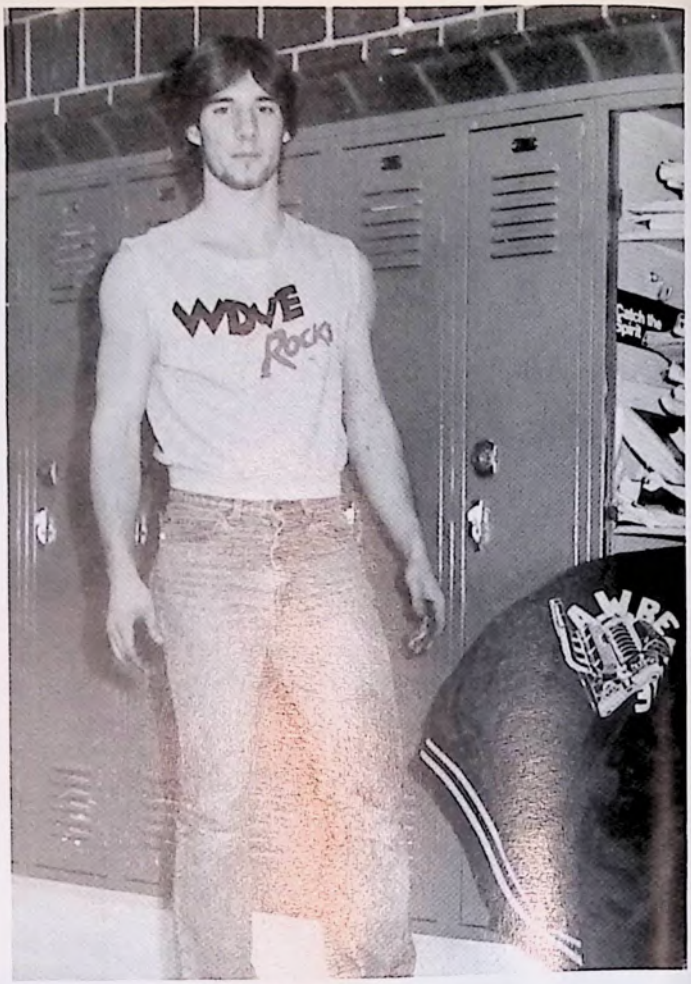
You have known me
in good and
bad times
You have seen me
when I was happy
and when I was sad
You listened to me
when what I said was
intelligent
and when I talked nonsense
You have been with me
when we had fun
and when we were miserable
You have watched me
laugh
and cry
You have understood me
when I knew what I was
doing
and when I made mistakes
Thank you for
believing in me
for supporting me
and for always being ready
to share thoughts together
You are a perfect friend

— Susan Polis Schutz

My friend,
if I could give you
one thing,
I would give you
the ability to see
yourself
as others see you . . .
then you would realize
what a truly special
person
you are.

— Barbara A. Billings

"I really wish you wouldn't have done that."



"I have it all, but nobody wants

"Honest! It was this long!"

"Yes. I'm a cheerleader."

Freshmen Class Officers — Shauna Braun, Francie Rombaldi, Gingy Hahn, Maureen Hutchinson.

Friends make school BEARABLE!

A rose between two thorns!

Beauty and the Beast?!?

Your specialness is wrapped in the
colors of the rainbow,
and my thoughts of you blaze with sunlight.
Outstretched and open, your hands
reach out to me,
and I marvel at how much you willingly
and graciously give of yourself.
You listen carefully, grasping every
shade of meaning from my spoken thoughts.
You permit me an openness of expression
without judging or accusing.
You behold and accept me in all facets
of my being,
and you have earned my trust and admiration.
Your confidence in me is a mountain of inspiration . . .
Spurring me on to climb to my own
heights of possibilities.
With you, there are no expectations to meet.
I enjoy the privilege of being
completely at ease with you,
since you allow me to unlock and
free the real me.
I feel secure in our friendship
because you never turn away from me.
Your ever-present concern and devotion overwhelm me;
your trust and love humble me;
your presence blesses me.
You are the definition of the word
"friend"
and the superlative of all friends.

— Lenore Turkeltaub

Because you
are my friend,
we have shared
the secrets in our lives
and grown strong.
Because you are my friend,
we have sealed a bond
that time cannot remove
and smiled a secret smile that
the world shall never understand.
Because having such a friend
is more precious than gold . . .
I have riches in untold measure
and a heart outside my own
to call home.

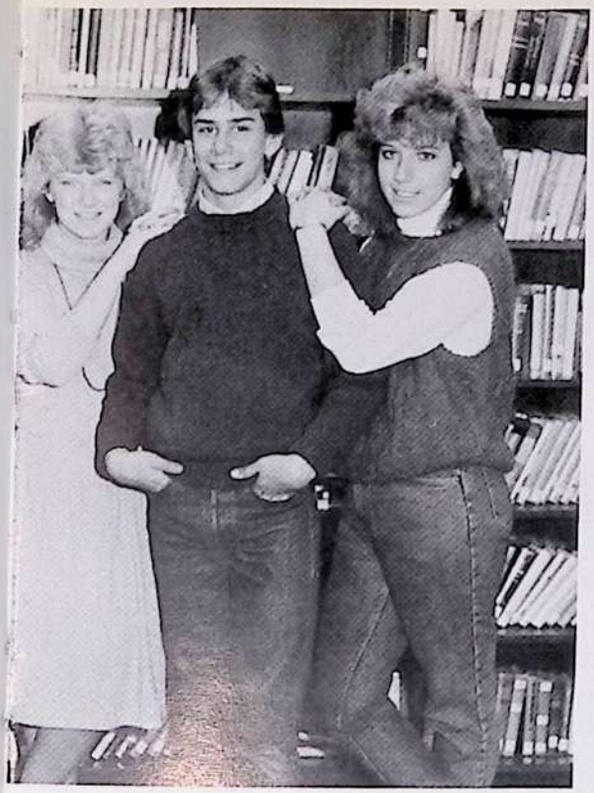
— Sunny Mann

Sophomore Class Officers — Laura Norris, Lisa Thomas, Tina Rombaldi, Tricia Tobacchi.

"Are we on candid camera?!"

"There are no girls out here! It was a trick!"

You can *always* tell who Beattie students are — Part I.



Robert Zaremski, a woman's man!

You can *always* tell who Beattie students are — Part II.

Friends Forever!

These . . . are my friends.

The hardest part of being a friend
is knowing
when you're needed a little
and when you're needed a lot.
So just in case you're in need
of a friendly "Hi" today,
I wanted
to let you know I'm here —
still caring
still thinking about you
still being your friend.

— Deanna Beisser

When we're
not together . . .
It isn't just your friendship
that I miss . . .
It isn't the time we spent
together
or the fun we had . . .
I miss the trust and the
understanding,
the giving and the sharing,
the peaceful companionship,
the silence and the noise
of us . . .
I miss everything
about you.
— Amy Starin

This *was* my dog!

Everyone is special — in their own little ways.

What some people
will do for a grade.

We need each other.

The heater isn't *all* that's hot!

May the world
hug you today!

I've got a friend.

It started with a simple hello,
But as time passed we
Started talking more and more,
Learning a little each time.
You listened to all my feelings . . .
And I learned about yours,
Not knowing then how
Close we would become.
Now through our talks
We not only learn
How much we have in common,
But also that we'll be there
For each other
Always.
— Pat Treskot

Senior Class Officers — Amy Gillner, Terri Gizienski, Renee Metal, Rett Galbraith.

"Are you coming or not?!"

"QUICK! Someone get his pills!"

Once someone comes into my life,
I can't just let them slip away.
I cannot accept that.
People are too important.
Once I care . . . I will always care
For friends, I will always be there
People in my past are part of my life,
part of who I am,
and I don't want them to disappear
Keeping in touch is important to me . . .
enough to let me know that
although we don't spend time together,
we do share some of the same
thoughts and memories.
Let's keep in touch . . . okay?
— Sharon Johnson

When I didn't care,
For anyone but you.

everything there is,
Can't imagine what we've missed,

Who I trusted, who,
I listened to before.

I need you more and more.

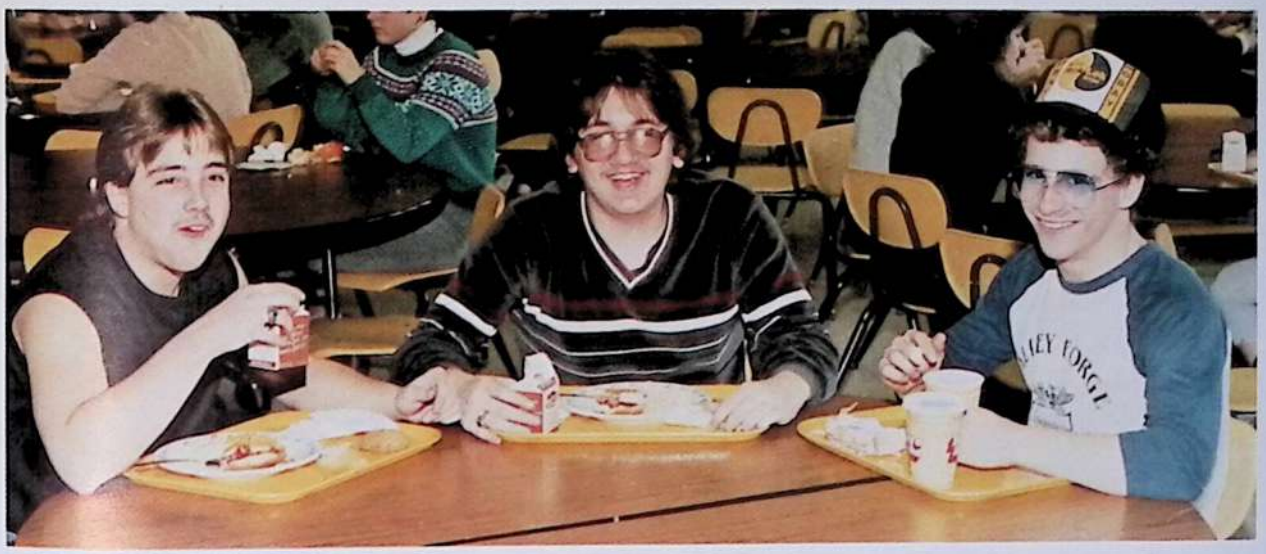
Mr. Tady shows Ken Lavrich the right way to do it.

Jill Rommes, are you talking to Danette?

Dave Proco and Tom Elliot show us their green thumbs.

Michelle McGuire and Brian Craft don't look too amused with their work.



Jeff Hoffman, Dave Proco, and Andrew Sanderback — the three stooges?

Through the years,
When everything went wrong,
Together we were strong.
I know that I belong right
here with you.

Through the years,
I've never been afraid,
I've loved the life we've made,
And I'm so glad I stayed,
Right here with you,
Through the years.

Brian Buchanich admires Brian Buchanich.

Lori Greer and Dorothy Graham — What would we do without friends?

Kara Paszek and Pam Bartos are smiling pretty.

Kind thoughts are rarer than either kind words or kind deeds. They imply a great deal of thinking about others. This in itself is rare. But they also imply a great deal of thinking about others without the thoughts being criticisms. This is rarer still.

LADY LANCERS

WPIAL CHAMPS

But the moment you turn a corner you see another straight stretch ahead and there comes some further challenge to your ambition.

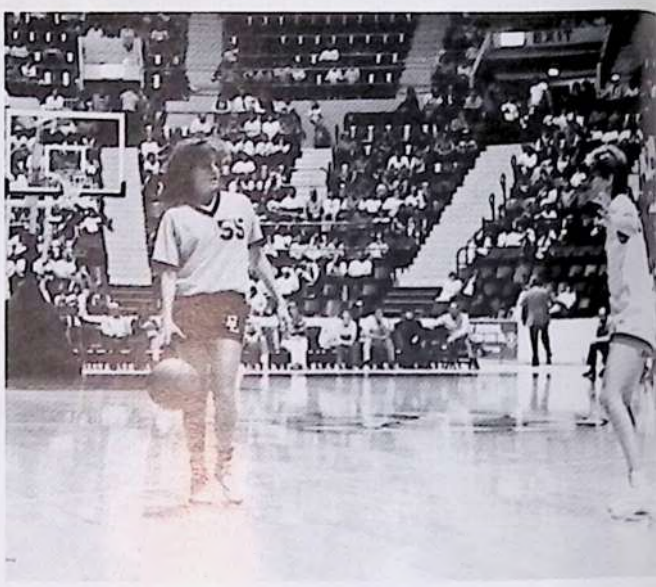
The birth of champions.

The faithful ones.

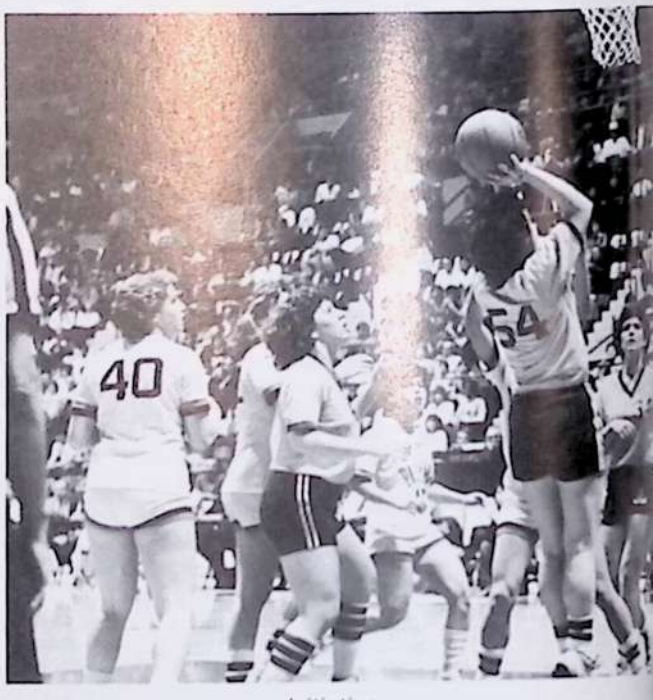
The many, who come to see the few.

God always gives a greater blessing to humble beginnings.

The onset . . .



Patience . . .



Initiative . . .

The challenge . . .

Uncertainty . . .

Despite the effort, the Lady Lancers fell to a 17 point deficit at the end of the first half. It looked hopeless but the Lancers dug deep and found something inside that we as fans will never fully comprehend.

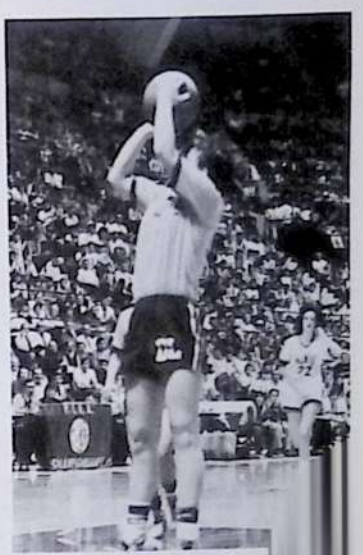
Advancement . . .

Progress . . .

The rise . . .

Making headway . . .

The press onward . . .



Dynamic energy . .

Forget about the times you have been defeated,
But don't forget the victories won.
